Condition to bring products on the market:

- a) **prepacked products** are identified by *control code*. They can be put on the market only after the approval of the label by BioAgriCert. Control code must be reported on the label and it allows to verify the Certificate on the web sites [www.bioagricert.org](http://www.bioagricert.org) and [www.trasparente-check.com](http://www.trasparente-check.com)
- b) **not prepacked products** must be accompanied by the original copy of the *transaction document* or, as an alternative, with conformity declarations on sale documents by the Operator.

**Operator is responsible about the put on market of the products and about the conformity declarations.**
