Firmenbeschreibung

Medbest S.A. is a manufacturer and exporter of high quality, authentic specialty products from Greece. In our product range you will find delicious all natural Greek olives in many different marinades and blends, large green stuffed olives, traditional appetizers and Greek Mezé, fire roasted sweet Florina peppers, plump stuffed vine leaves, buttery Giant beans and chick peas, fantastic spreads and dips all made following traditional local recipes, and finally the glorious Extra Virgin Olive Oil from Crete, the heart of the Mediterranean.
