Company description

Playmind is a HK base medium sized company focusing at innovative and unique vehicle and RC vehicle with brands and licenses. We have 3 major brands. 1) Tech Titans: all innovative items with special features and play values which you could not find in the market, mainly radio-controlled but an exception is H2O racer. 2) Street Tech: all licensed vehicles in difference scales, with various functions and price points. 3) Transbotix: our own registered brand for transforming robots. Also we are coming up with a big range of water guns under our brand "Hydro Force", with over hundred items.
