## Kindzmarauli Cellar Wine Shop

## Company description

Georgia is the birthplace of wine. Wine-growing has a long tradition here. It is impossible to imagine daily life, the traditions or the picturesque landscapes without it. The living culture of wine production gave birth to incomparable "Supra" (table) traditions, hospitality and toast making. There is no toast offered without wine; there is no wine - without vine& grapes. Neither is there the "Kindzmarauli Cellar without you, being a visitor. Kindzmarauli Cellar located at #56, Chavchavadze St., is the daughter company of the "Kindzmarauli" winery with its large vineyards placed in Kvareli, heart of Kakheti, centre of the wine country. Kindzmarauli Cellar offers six kinds of bulk and 17 brands of bottled wines. Before you decide to buy, you can test the brands and share the result of the experience the grapes have undergone. Bulk wines, described below are kept in thermal refrigerators under the temperature, especially set to make the best quality wines. Red bulk wines: SAPERAVI - 5.80gel/...
