Company description

UNIVEG Trade Italia wants to contribute to healthy food, a sustainable environment and social responsibility. In three words: Healthy, Organic, Fair. UNIVEG Trade Italia shows and tells the story behind the product, providing visibility to the grower's efforts towards a fairer and more sustainable society; our core values responsibility, togetherness and authenticity are at the heart of everything we do as a company, trademark and team. And influence our interaction with suppliers, customers, consumers and employees. UNIVEG Trade Italia is aware of the social and environmental issues associated with the products that it sources and sells. Whether conventional or organic, all our fruit and vegetables are produced to the highest quality and ethical standards and listed below are some of the tools that we use to help us achieve this. These are in addition to our own Codes of Ethics.
