 PAM Sprehe Frischgeflügel- und Fleischhandel GmbH & Co. KG

Company description

Welcome in our family Starting together, reaching goals in concert This is the philosophy of the Sprehe Consortium. And this maxim corresponds to the company's history, which began with individual butcheries. Since then Sprehe has grown to become one of the largest, most modern and highly productive European full assortment range for fresh and frozen meat goods in Europe. With more than 2.500 employees, the Consortium, with the sole partners Paul and Albert Sprehe, currently generates a sales volume of approximately 650 million Euros. With a product range directed at discerning consumers and customers, Sprehe is the epitome of progression and innovation.
