G.O.C FOOD PROCESSING EXPORT JSC

Descripción de la compañía

Our company's 36,000 square meter facility is located in the north of Viet Nam, 50 kilometers from the capital of Ha Noi and 120 kilometers from the port of Hai Phong. G.O.C specializes in producing and processing food such as agricultural products and canned vegetables. Now after 10 years of operation, we employ over 500 employees, including experts and workers with high professional skill in food procesing. We provide a high quality inspection. Our inventory management always pay attention to our products. We continue improving and providing the best service in our production lines to our consumer.
