Descripción de la compañía

Black Forest milk (Schwarzwaldmilch) comes from dairy farms where the farmers know their cows by name. The animals graze on rich pastureland in the open air, surrounded by beautiful countryside. That's why their milk tastes so pure and unadulterated. Most of these farms are small or medium-sized family businesses that have supplied our Black Forest dairy for generations. We've operated as a regional cooperative in the south-west of Germany since more than 80 years, and are now one of the country's leading dairies. In our Freiburg factory we manufacture a carefully selected range of our Black Forest dairy products that appeal to gourmets across Baden-Württemberg and beyond. In Offenburg, we produce high-quality ingredients for our industrial partners. Our milk is carefully produced in a sustainable manner, reflecting its true bond with the Black Forest itself. Milk is one of our most precious natural nourishments. Our regional milk producers farm using traditional methods, thereby ensuring that the beauty of...
