Description de l'entreprise

FISH AND SEAFOOD FROM THE NORTH SEA AND BEYOND. Our hometown is Fraserburgh, Europe's biggest shellfish port and the heart of Scotland's fishing industry. We've been in business for over 40 years, building a reputation for service, reliable supply and - above all - exceptional quality. From here we've built a sourcing network and customer base covering Europe, delivering the very best fish to the most demanding of customers.

Notre métier : Producteur, Fabricant: Alimentaire
Entreprise de commerce: Importateur - Exportateur
