Firmenbeschreibung

Zhaoxian Wanlong Textile Co., Ltd. is a professional manufacturer of grey fabrics and yarns. There are 42 000 spindles, 1072 weaving machines and 6 Italy Savio automatic winders. Our annual production is about 36 million meters grey fabrics and 5,000MT yarns, which have been exported to many countries with the registered brand "Zhongjiwanlong". Our main products cover most of grey fabrics, like T/C, T/R, CVC, 100% Cotton and 100% Polyester in different yarn counts, compositions, densities and gram weights. We also offer bleaching, dying and printing solutions. We believe "Brand Makes Value" and we will provide best products and services to you. Let's strive together and win together.
